

Recognition of Prior Learning (RPL) & Credit Transfer (CT) Policy

Purpose & Legislative Background

Under Standard 2 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018, Mid-City College is required to implement a documented policy and process for assessing and granting course credits to the students. It will recognise and award credit transfer for students presenting with current competence. Clause 3.5 of Standards for Registered Training Organisations (RTOs) requires the learner to provide evidence to claim credit transfer. Where a student is seeking credit transfer for a unit of competency that is on our scope of registration and the student can provide documentary evidence that the unit has been previously awarded to the student, credit transfer will be awarded. It is important to note that credit transfer or credit transfer is not an assessment. It is an administrative function that determines the equivalence of a unit of competency the student has been previously awarded to units of competency incorporated into courses being delivered by Mid-City College. If the unit is the same or is equivalent, then the unit may be issued as a credit transfer. This is not to be confused with the recognition of prior learning which is a method of assessment. This policy provides a detailed guide on how the above is achieved at Mid-City College.

Scope

This policy applies to all current & prospective students and staff of Mid-City College who seek credit towards their prior learning. This policy applies to the complete scope of Mid-City College.

Policy

The National Principles and Operational Guidelines for Recognition of Prior Learning (RPL) represent a set of national cross-sector guidelines to support the implementation of RPL as an important element of Australian education and training. At Mid-City College the granting of RPL and Credit Transfers will be established and maintained in accordance with.

- AQF National principles and operational guidelines for Recognition of Prior Learning (TAFE) Procedure
- Standards for Registered Training Organisations (SRTOs 2015)

RPL can be used for access and the partial or complete fulfilment of the requirements of a Vocational Education and Training (VET) qualification or a course.

Mid-City College will make RPL available to all students in compliance with the relevant Standards for Registered Training Organisations, SRTOs 2015.

RPL assessments will be conducted in accordance with the principles of assessment and

the rules of evidence.

Assessment will be undertaken by a qualified assessor who has completed Certificate IV in Training and Assessment (TAE40116) or equivalent and meets the requirements as specified in Standard 1.13 – 1.16 of the Standards for RTOs 2015, and the relevant schedules (Schedule 1).

Mid-City College recognises course credit within the ESOS framework and will grant appropriate credit towards units of competencies achieved under a nationally recognised qualification

Candidates must apply for credit either through RPL or Credit Transfer. However, the submission of an application for RPL does not guarantee that an exemption will be granted.

Candidates seeking credit must provide current, relevant, valid, verifiable, and substantial information and/or evidence about their previous studies and other prior learning during the application stage for entry to a college course.

If the granting of credit results in the shortening of the student's course, Mid-City College will report the change of course duration to the Department. All records will be kept for a minimum of two years from the date student has ceased to be an enrolled student.

Credits can only be applied to maximum 40% of the total units in a specific course.

No fees will be charged for Credit Transfer applications.

Fees for RPL will be charged per unit of competency, calculated on a pro-rata basis on the total course fee. RPL fee will be in addition to the total course fee.
