

Unique Student Identifier (USI) Policy and Procedure

Purpose & Legislative Background

This policy and procedure are to assist Mid-City College students, partners, and staff to ensure the management of the Unique Student Identifier (USI) is effective, managed with accuracy, reliability, validity, and promptly.

Under Standard 3.6 – Participate in the Student Identifier Scheme, Mid-City College is required to ensure that the requirements of the Student Identifier scheme are met, including:

verifying with the Registrar, a Student Identifier provided to it by an individual before using that Student Identifier for any purpose.

ensuring that it will not issue AQF certification documentation to an individual without receiving a verified Student Identifier for that individual unless an exemption applies under the Student Identifiers Act 2014.

ensuring that where an exemption described in Clause 3.6 (b) applies, it will inform the student before either the completion of the enrolment or commencement of training and assessment, whichever occurs first, that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the Registrar; and

ensuring the security of Student Identifiers and all related documentation under its control, including information stored in its student management systems.

Scope

This policy applies to all students who undertake Nationally Accredited qualifications that are on the Scope of Registration of Mid-City College and applies to all Third-Party Arrangements/Agents and staff.

Policy

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognized training from 2015. This means that as a student you must either:

- Provide Mid-City College with your USI, or

- Provide Mid-City College with permission to access or create your USI on your behalf.

If you are providing us with permission to access or create your USI, we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit:

<http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI.

Mid-City College will ensure privacy arrangements surrounding personal information relating to the ID of the student will be secured and access limited to those staff who are required to record and use the USI for its' intended purpose.

Access to the Student Management System where the USI will be stored and verified will be limited to those staff who are required to use the system as part of their daily duties.

It is the responsibility of the student to apply for and provide Mid-City College with their USI. The USI must be provided at the time of enrolment or before an award is issued.

In the event a student has difficulty with the application of the USI, Mid-City College will apply for a USI on behalf of the student, only if permitted by the student in writing.

Permission must be given by the student, prior to Mid-City College accessing the register and creating the USI.

The evidence gathered as proof of ID to create a USI will be securely held following the Privacy Policy until it is no longer needed.

Evidence gathered and used solely for the purpose for issuing of the USI will be destroyed using secure methods outlined in the Privacy Policy as soon as practicable after the application is made or it is no longer needed for that purpose.

Mid-City College will not provide a Certificate of Qualification or a Statement of Attainment to any student who does not have a verified USI recorded against their name unless an exemption is in place as outlined in the Student Identifiers Act 2014.

If an exemption for USI does exist, Mid-City College will inform the student either during enrolment or commencement of training and assessment, that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the USI Registrar.

Mid-City College will verify each USI through their Student Management System.

All Students will be provided with a Fact Sheet – USI – Student Quick Guide – as developed by the regulator to create their own USI as part of the student orientation.

Changes to this policy will occur at the time of:

- review or
- when required due to changes in the Student Identifier Act or
- as directed by the regulator

Mid-City College will ensure information relating to the USI and its' requirements is maintained and updated on their website and is reported following the VET data collection and reporting requirements.
