### Policy Statement:

It also ensures that faculty and staff receive the necessary training and information resources to resolve critical incidents, and those affected by critical incidents receive the necessary support and counselling services.

### Procedure

Mid City College will ensure that it does not knowingly enroll an overseas student wishing to transfer from another registered provider's course prior to the overseas student completing six months of their principal course of study, except in certain circumstances as outlined in the National Code 2018. For matters concerning transfers of learners to and from other registered providers, Mid City College adheres to the following policy principles:

#### 1. Overseas Students Transfer Policy Principles

- 1.1. Mid City College only enrolls in transferring learners prior to the learner completing six months in their principal course with their current provider under the following circumstances:

  - 1.1.2. The current provider has been sanctioned, and its registration has been revoked.
  - 1.1.3. The transfer is supported by the learner's government sponsor.

(see *Marketing and Recruitment Policy* for more information)
- 1.3. Mid City College adheres to the guidelines and circumstances defined in this policy where transfer will be granted or refused for an overseas student. In following the guideline, the College will ensure that it considers the best interest and individual circumstances of the students in order to determine whether the transfer will be detriment or advantageous to the student.
- 1.4. Mid City College records all transfer request outcomes in the Provider Registration International Student Management System (PRISMS).
- 1.5. Mid City College shall not finalize refusal to release the overseas student until the student has had an opportunity to access the complaints and appeals process.
- 1.6. Mid City College ensures that where requests are received from overseas students under the age of 18, the overseas student's parent or legal guardian has provided support for the transfer in writing.
- 1.7. All information regarding another provider's courses, fees, enrolment procedures, and pathways is the learner's responsibility. Mid City College is not obligated to assist the learner in this regard, except when it comes to the issuance of a letter of release.
- 1.8. Mid City College will issue a letter of release within five working days from the date of approval of the transfer request. If the transfer request is refused the College will advise the overseas student within five working days of the outcome, together with the reasons for refusal and information regarding the overseas student's right of appeal.
- 1.9. Appeals received relating to change / transfer of provider will be directed to the Director/CEO of Mid City College. The appeal will be decided in accordance with the Complaints and Appeals Process of the College. (See *Complaints and Appeals Policy* for more information)

- 1.11. Overseas students may transfer to another provider after six months without a letter of release from Mid City College. Student visa condition 8533 requires students to notify their current provider of a change of education provider within seven days of receiving another CoE.
