- Provide Mid City College with your USI, or
- Provide Mid City College with permission to access or create your USI on your behalf.

If you provide us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit:

<http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI.

Mid City College will ensure privacy arrangements surrounding personal information relating to the ID of the student will be secured and access limited to those staff who are required to record and use the USI for its' intended purpose.

Access to the Student Management System where the USI will be stored and verified will be limited to those staff who are required to use the system as part of their daily duties.

It is the responsibility of the student to apply for and provide Mid City College with their USI. The USI must be provided at the time of enrolment or before an award is issued.

In the event a student has difficulty with the application of the USI, Mid City College will apply for a USI on behalf of the student, only if permitted by the student in writing.

Permission must be given by the student prior to Mid City College accessing the register and creating the USI.

The evidence gathered as proof of ID to create a USI will be securely held following the Privacy Policy until it is no longer needed.

Evidence gathered and used solely for the purpose for issuing of the USI will be destroyed using secure methods outlined in the Privacy Policy as soon as practicable after the application is made or it is no longer needed for that purpose.

Mid City College will not provide a Certificate of Qualification or a Statement of Attainment to any student who does not have a verified USI recorded against their name unless an exemption is in place as outlined in the Student Identifiers Act 2014.

If an exemption for USI does exist, Mid City College will inform the student either during enrolment or commencement of training and assessment, that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the USI Registrar.

Mid City College will verify each USI through their Student Management System.

All Students will be provided with a Fact Sheet – USI – Student Quick Guide – as developed by the regulator to create their own USI as part of the student orientation.
